Everyone at Vac-Con, all of our friends, partners, associates and industry followers mourn the tragic death of our dear friend and dealer Dave Berube. He was killed, along with his friend Dana Parenteau, and his associate, Ben Bridges in an airplane accident on Long Island. Dave was the proprietor of New England Municipal Equipment Company, the very first Vac-Con dealer. For more than 30 years, Dave represented our products in the New England territory, and his engaging smile, friendly demeanor and can do attitude will be missed by everyone he touched. He loved life and all it had to offer. He was involved in motor sports, including automobile racing, motorcycles and snowmobiles; if it had an engine, he liked it. He was an experienced and skilled pilot, having logged many thousands of hours in the air.

But most importantly, he was our friend, our business associate and our partner. We did a lot of business together and had a lot of fun together; we laughed, we cried, we argued, we agreed, we fought, we made up. We miss all of those moments, Dave and wish you were still here. Wherever you have gone, we bid you Godspeed, and our thoughts are with you. Your memory will be cherished by us all.
