FATBOY

Keep stuff cold. Keep stuff dry. Keep stuff safe.

The Fatpack backpack was developed by hardcore outdoor enthusiasts looking for an affordable, rugged and versatile bag that could fulfill multiple needs. The Fatpack is a multi-purpose 3-in-1 bag that works equally well as a floating dry bag, a soft-sided day cooler or a protective backpack. The key is Blubber™ – sandwiched between two waterproof layers the padded ½-inch Blubber™ insulating layer keeps the Fatpack's innards safe, cool and dry. Fatpack floats, even when loaded, providing waterproof protection as a drybag. The insulation layer also provides cooler-like efficiency – keeping contents cold when combined with ice. Finally, the padded layer provides protection for expensive electronic gear like cameras, tablets and smartphones.
