TOOLS

Do your clients ask how often to pump their tank? Now instead of just an educated guess – since it can vary significantly – you can offer them the Septic Checker so they will really know. The Septic Checker allows just about anyone to easily take a cross-section sample from their septic tank periodically, and see when they need to have it pumped. We offer reseller pricing. Sign up today at **www.septicchecker.com/reseller** or call us at
