BUSINESSES

Selling septic tank & lift station service company we opened in May last year in Charlotte, NC with one small truck. We had a 2011 built with new 2018 equipment: 2,500-gallon tank with 5-year warranty delivered in December, and 2003 Isuzu with 1,200-gallon tank. Trucks have auto transmissions and a/c and are both very nice. 2016 CAT mini excavator with new trailer; 2000 Isuzu box truck. We did \$385,000 first year, heading to \$600,000 this year. We get calls 7 days a week for service. I'm willing to train the new buyer to run and operate a successful company.
