I have two identical International 4700 portable toilet trucks with Abernathy tanks. One is a 2000 and the other is a 1999. Both have DT466 engines and Allison automatic transmissions. Both show just over 200k miles. We got the trucks thinking we could use the tanks for another build but they are too big for what we run. Trucks do NOT have titles as of now but you can apply for them. We were told the trucks ran when parked a few years ago. Don't know much about them other than that. Make an offer!
