**2007 International 8500,** Navistar 530 --- NOT A MAXXFORCE. 4,000-gallon vac tank. Beautiful truck. A septic truck that gets compliments, that's a kick. Too bad they don't ask for a job so they can drive it! I purchased this truck with a bad engine. Found another 8500 with the same engine and the local dealer made the swap. We replaced the transmission at the same time. The donor truck had 131,000 miles on it, this truck has 289,000+ but you would never know it. Shines! Aluminum wheels. The rear is a LIFT axle. Manual transmission. A/C, power windows, locks, air seat, air brakes. Masport pump that sucks like crazy. I think there is about 125' of 4" hose. Great starter, runner, driver and worker. \$45,000.
