## PIPELINE REHABILITATION

**Formadrain Lateral & Spot Repair Pipe Lining System.** Brand New! \$47,500. Save yourself \$8K to \$10K! Benefits of the Lateral & Spot Repair Pipe Lining System: NO DIGGING – All repairs are done from existing manholes on the street and cleanouts in the house. There is absolutely no digging. FAST REPAIRS – With the Formadrain no-dig system, complete repairs take just a few hours instead of days and homeowners can stay in their home. Additionally, the new sewer is ready to use immediately upon completion. SUBSTANTIAL SAVINGS – With Formadrain there is no need for digging equipment and related labor. This drastically reduces costs and makes repair planning much easier. MINIMAL SETUP SPACE – No digging reduces or eliminates interruptions on the street meaning very limited disturbances. ENVIRONMENTALLY SAFE – The repair job is done entirely inside the damaged pipe thus posing no threat to underground wires or pipes. LONG LASTING – According to exhaustive tests conducted by the prestigious Center for Advancement of Trenchless Technology (CATT) of the University of Waterloo in Ontario, repairs done with the Formadrain system will last 50 years or more. CERTIFIED SYSTEM – The Formadrain system is certified by the internationally renowned National Sanitation Foundation (NSF). The system has been NSF 14 certified for more than half a decade. In order to qualify for certification, Formadrain is subjected to rigorous testing throughout the year.
