BUSINESSES

BUYING, SELLING OR A NEW START-UP? My name is David J. Burnie. I have 40+ years of experience in the septic industry. I have owned, operated and sold 3 full service septic businesses. I also worked as a manager for Wind River Environmental and held senior management positions for Bluewater Holding Corp. and Neighborhood Wastewater. I am not another suit. I've owned and operated pumpers, dug ditches, cleaned interior grease traps, worked sewer and drain equipment, water jetters, and built many new septic systems. At the end of the day I went home tired and dirty. I believe my experience can help you identify the cross roads you may encounter. I can help with new start-ups, purchasing an established business, or with selling your own company. Put my experience to work for you. I've lived the good, the bad, and the ugly. The good is rewarding, the bad is difficult, and the ugly is a disaster. Contact me by email (djb5253@gmail.com) or call me (774-216-1440). No charge for the first conversation. Thank you, David J. Burnie, High Tide Septic Solutions. (P05)
