BUSINESSES

Family-owned septic service business for sale in rural central Wisconsin. Over 60 years in business with a large customer base about 30% being holding tanks, year-round work. Owner wanting to retire but will work with buyer to obtain necessary licenses if needed. This is a three-truck operation with modern well maintained equipment. Contact Bob at 715-574-1465 (P11)

Selling a turn-key business, in operation for 15 years with fully matured clientele in rotation. Our cycle is every 3-5 years for maintenance. We have three five year cycles and five three year cycles. Our client list, not including property management accounts, is over 11,000 residences in the Metro Atlanta market. Business comes with a Pump truck (2005 Freightliner, M2 Class, single axle, with a 2500 gallon tank and a built in hydro-jetting system), a 2015 Kubota U25 excavator with only 751 hrs. and a 20' trailer. We also have a 4-door, 2006 F-250 6.0, with only 145,000 miles. We haven't advertised in over 8 years. We are completely word-of-mouth business and we take calls daily. Our website is ugly by design; we get clients from being a known name in this market. Owner has 26 years of experience in this market. Owner would sign and agree to non-compete clause for the state of Georgia only; as he is starting a new Septic and Plumbing company in Tennessee. A current driver will agree to stay depending on pay and we will provide you with a network of skilled and day labor for this market. Owner is willing to work with buyer for an agreed upon amount of time, to ensure ease of transition. This is goldmine for the right person, but it's hard work. She's a steal at \$450,000. - A Masterpiece of Power and Efficiency Step into the future of septic service with our brand-new 2022 Ford F750 Septic Pump Truck. Sporting a mere 1,900 miles on its odometer, this truck is practically untouched and ready to deliver the needed performance, whether expanding your business or kickstarting a new venture. Powering this beauty is a 6.7 Powerstroke Diesel Turbo Clean Certified engine, known for its reliability, fuel efficiency, and superior power. The F750 also boasts dual fuel tanks, ensuring you're always ready to take on those longer routes without interruption. The 2,200-gallon polished aluminum IV tank, designed for maximum efficiency and longevity, has a 5-year warranty. It features a 20" top manway, 3" primary, and a 21" rear manway, as well as full-length hose trays and brass lever valves for both the 3" rear inlet and 4" rear discharge. For maximum visibility, and the tank is equipped with (3) 5" rear sight glasses. Moreover, DOT lights, hose hooks on the rear head, and a ladder on the tank showcase the thoughtfulness put into the design for increased functionality and safety. The Masport Viper PNP hydraulic-driven pump, with a powerful 360 CFM, is mounted on the tank and comes with a 2-year manufacturing warranty, promising seamless operation and peace of mind. The truck also has mud flaps installed and a 6-inch LED work light mounted to the back, wired to a switch in the cab for easy access. The truck's exterior is a pristine white, complemented by a sleek gray interior. The cabin is designed for comfort and convenience, with air conditioning, AM/FM Radio, Bluetooth connectivity, power steering, and power windows. Additional features include dual airbags for safety, steel wheels for durability, and a tilt steering wheel for optimal driving comfort. The hose trays are bed lined for an extra layer of protection, ensuring this truck is built to last. TRAILERS

Selling my 2016 JAG 3 room shower trailer. It was originally purchased for a glamping property but they never got the permits approved. It sat for 5 years before I purchased it. Lightly used, everything is functional and ready to go, runs off city water but has space for a fresh water tank if needed. Has water heater, AC, stereo. Selling because I don't have much demand for showers, my business is almost exclusively restrooms only. It's a good trailer for the right person, JAG's are well built. **\$33k.
